- 4 4" trim cutters are designed to cut wider trim with one precise cut. Replacement blades and anvils are available.
- 5 1 1/4" trim cutters are designed to cut narrow width trim.
- 6 Adhesive removal disc.

TRIM-GARD WARRANTY

Trim-Gard Company Limited products are warranted to be free of defect(s) in material and workmanship for 12 months from the date of manufacturing. Chrome molding(s) with top cap must have all cut ends sealed with TG End Sealer to maximize weatherability and validate warranty. The material must be applied as per instruction. Any material deemed defective by the manufacturer will be replaced on a one-for-one footage basis upon proper authorization and presentation of the defective material. No labor costs will be honored. The manufacturer accepts no responsibility for any damage resulting from installation or removal of a molding(s). Customer must determine suitability and fit for each application.
