Trim-Gard has changed the rules for automotive after-market moldings! Our line of top-capped O.E. style moldings provides a choice you've never had before. We've capped our chrome with a thick, tough, layer of crystal clear vinyl, giving 20 times more protection to the chrome finish, making these moldings more durable than ever and actually improving the look of the chrome by imparting a deep rich glow, not possible before.

- 1 3" trim roller is designed to apply pressure to trim during installation.
- 2 TG Prep is formulated to thoroughly clean the surface before applying trim with adhesive.
- 3 3M™ Adhesive Promoter Pad.
- 4 4" trim cutters are designed to cut wider trim with one precise cut. Replacement blades and anvils are available.
- 5 1 1/4" trim cutters are designed to cut narrow width trim.
- 6 Adhesive removal disc.

TRIM-GARD WARRANTY

Trim-Gard Company Limited products are warranted to be free of defect(s) in material and workmanship for 12 months from the date of manufacturing. Chrome molding(s) with top cap must have all cut ends sealed with TG End Sealer to maximize weatherability and validate warranty. The material must be applied as per instruction. Any material deemed defective by the manufacturer will be replaced on a one-for-one footage basis upon proper authorization and presentation of the defective material. No labor costs will be honored. The manufacturer accepts no responsibility for any damage resulting from installation or removal of a molding(s). Customer must determine suitability and fit for each application.
